Cash Pay Students

**Option 1: Pay Course in Full**

You can choose to pay each course in full. Payment is paid on day 8 of course.

**33% Payment Plan**

The 33% Payment Plan consists of three (3) equal payments that begin once the course starts. Students who elect to use this payment plan will be paying 33% for three (3) months.

Payment #1 33% + $50.00 paid on day 8 of course
Payment #2 33% paid 28 days after first payment
Payment #3 33% paid 28 days after second payment

**25% Payment Plan**

The 25% Payment Plan consists of four (4) equal payments that begin once the course starts. Students who elect to use this payment plan will be paying 25% for four (4) months.

Payment #1 25% + $50.00 paid on day 8 of course
Payment #2 25% paid 28 days after first payment
Payment #3 25% paid 28 days after second payment
Payment #4 25% paid 28 days after third payment

**Important items to remember:**

1) There is a $50 processing fee attached to the first payment for all classes when a payment plan is used.

2) Students always have the option of paying for their courses in full at the start of each class to avoid the processing fee.

3) If a student is staggering his or her classes as suggested, he or she will have multiple payments due in one month.

4) Payments are rounded to the nearest dollar.
